CHAPTER OVERVIEW

1. INTRODUCTION

When a supply of goods and/or services falls within the purview of charging section, such supply is chargeable to GST. However, for determining the liability to pay the tax, one needs to further check whether such supply of goods and/or services are exempt from tax.

Exempt supply has been defined as supply of any goods or services or both which attracts nil rate of tax or which may be wholly exempt from tax and includes non-taxable supply [Section 2(47) of the CGST Act, 2017]. **Non-taxable supply** means a supply of goods or services or both which is **not leviable to tax** under CGST Act or under the IGST Act [Section 2(78) of the CGST Act, 2017]. Thus, under GST, a supply not leviable to tax is also included within the purview of 'exempt supply'.

(1) Examples of supply not leviable to tax are alcoholic liquor for human consumption, specified petroleum products namely Petroleum Crude, High Speed Diesel, Motor spirit (commonly known Petrol), Natural Gas and Aviation Turbine Fuel.

Power to grant exemption from GST has been granted vide section 11 of the CGST Act and vide section 6 of the IGST Act. State GST laws also contain identical provisions granting power to exempt SGST. Under GST, essential goods/services, i.e. public consumption products/services, have been exempted. Items such as unbranded atta/maida/besan, unpacked food grains, milk, eggs, curd, lassi and fresh vegetables are among the items exempted from GST. Further, essential services like health care services, education services, etc. have also been exempted.

It is important to note that exemption under GST may be provided in any of the following manner:

(a)	<p style="text-align: center;">Exemption to specified activities or transactions</p> <p>Sometimes, exemption is provided in respect of specified activities or transactions. Consequently, the status of the supplier or recipient becomes immaterial.</p> <div style="display: flex; align-items: flex-start;">  <div style="margin-left: 10px;"> <p>(2) Services by way of transfer of a going concern, as a whole or an independent part thereof.</p> <p>(3) Services by way of renting of residential dwelling for use as residence.</p> </div> </div>
(b)	<p style="text-align: center;">Exemption to specified suppliers</p> <p>At times, exemption is given to specified suppliers only. In this chapter, we shall discuss the power to grant exemption from tax under CGST Act/IGST Act, list of services exempt from GST in detail and an overview of the goods exempt from tax.

section (1) or order under sub-section (2), and every such explanation shall have effect as if it had always been the part of the first such notification or order, as the case may be.

Explanation—For the purposes of this section, where an exemption in respect of any goods or services or both from the whole or part of the tax leviable thereon has been granted absolutely, the registered person supplying such goods or services or both shall not collect the tax, in excess of the effective rate, on such supply of goods or services or both.

ANALYSIS

- (i) **Exemption from payment of tax:** GST law empowers the Central Government or State Government, as the case may be, to grant exemption from tax. The exemption is granted on recommendation of the GST Council.

Exemption can be **from whole** of the tax **or part of the tax**. It should be granted in public interest.

Exemption can be from whole of tax or part of tax

Exemption can be granted by a notification or by a special order

Exemption can be granted to goods or services or both of any specified description, **by way of issuance of notification**, either **absolutely** [i.e. unconditional exemption; exemption is not subject to any condition(s)] or **conditionally** [i.e. exemption is subject to specified condition(s)]. Exemption may be granted **by a special order** in case of the circumstances of an **exceptional nature**.

The **absolute/ unconditional exemption is mandatory** in nature. Where the supply of the goods or services or both are **unconditionally exempted from whole of**

Conditional exemption is optional

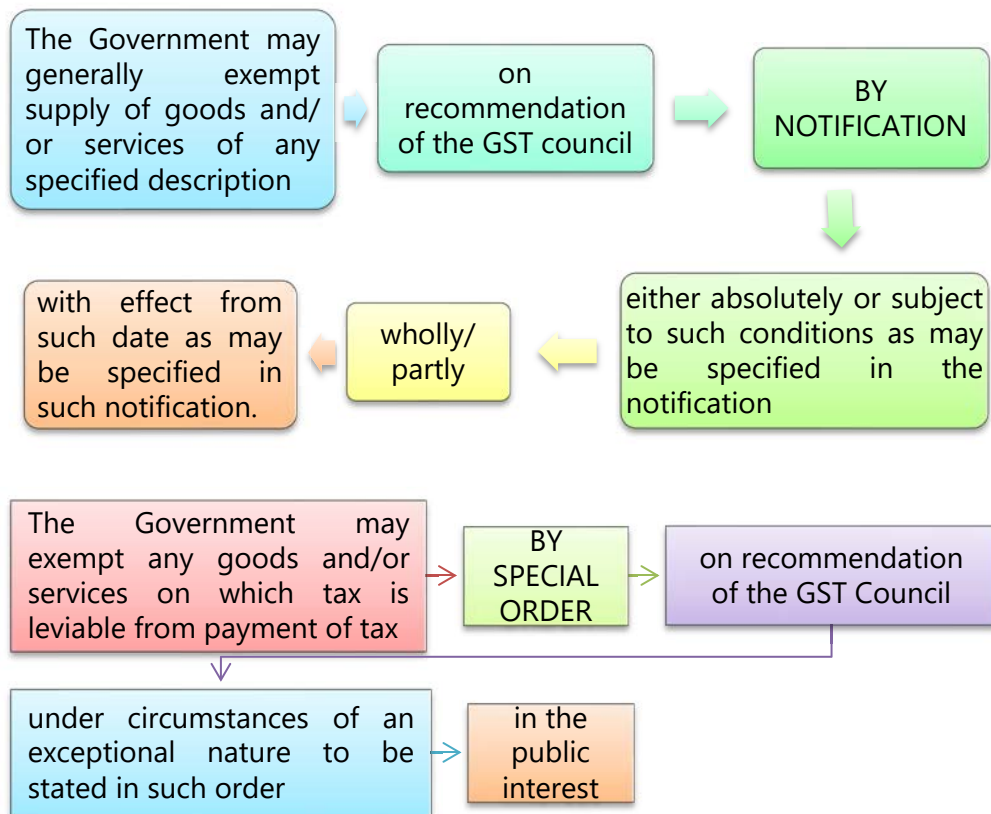

the tax, the registered person doesn't have option to collect and pay tax on such supply of goods or services or both. Where the supply of the goods or services or both are **unconditionally exempted from part of the tax**, the

Unconditional exemption is mandatory

registered person doesn't have option to collect and pay the tax, in excess of the effective rate, on such supply of goods or services or both.

However, where the **exemption is conditional**, it is **at the option** of the registered person whether to avail the same or not.

The above provisions have been explained by way of a diagram as follows:

- (ii) **Explanation inserted within 1 year, for the purpose of clarifying the scope or applicability of any notification/order, to have retrospective effect:** Wherever the Government feels that there is a need to clarify the scope or applicability of any notification/order issued under this section, it can issue an explanation within 1 year of issue of said notification/order. Such explanation shall have effect as if it was there when first such notification/ order was issued, i.e. explanation so inserted would be effective retrospectively.

It is hereby clarified that the explanation so inserted for a particular entry in the notification, is effective from the inception of the entry in notification and not from the date from which the notification (that inserted said explanation) becomes effective.

(10) Principal Notification No. 11/2017 CT (R) dated 28.06.2017¹ came into force with effect from 01.07.2017. Thereafter, a new entry - Entry no. 3(vi) was inserted w.e.f. 21.09.2017. Subsequently, an explanation was also inserted with respect to entry no. 3(vi) by issue of a notification on 26.07.2018 [i.e. within 1 year of the insertion of entry 3(vi)].

Although the effective date mentioned in the notification which inserted said explanation was 27.07.2018, said explanation will be effective from the inception of entry 3(vi) in notification i.e. 21.09.2017 and not 27.07.2018.

[Circular No. 120/39/2019 GST dated 11.10.2019]

Similar provisions granting power to exempt IGST have been provided under section 6 of the IGST Act.

ANALYSIS

A. SERVICES PROVIDED BY CHARITABLE/RELIGIOUS TRUST

Entry 1 of the Notification exempts services supplied by an entity registered under section 12AA of the Income-tax Act, 1961 by way of charitable activities. Thus, in order to claim exemption under Entry 1 of the Notification, following two conditions must be satisfied:-

- (i) The entity should be **registered under section 12AA of the Income-tax Act, 1961**, and

(ii) The entity must carry out one or more of the specified charitable activities.

Before proceeding further, let us first understand the meaning of term '**charitable activities**'. The term 'charitable activities' mean **activities relating** to-

(i) **PUBLIC HEALTH** by way of-

(A) care or counseling of

- (I) terminally ill persons or persons with severe physical or mental disability;
- (II) persons afflicted with HIV or AIDS;
- (III) persons addicted to a dependence-forming substance such as narcotics drugs or alcohol; or

(B) public awareness of preventive health, family planning or prevention of HIV infection;

(ii) **ADVANCEMENT OF RELIGION**, spirituality or yoga;

(iii) **ADVANCEMENT OF EDUCATIONAL PROGRAMMES/SKILL DEVELOPMENT** relating to,-

- (A) abandoned, orphaned or homeless children;
- (B) **physically or mentally abused** and traumatized persons;
- (C) **prisoners**; or
- (D) persons over the age of **65 years** residing in a **rural area**;

(iv) **PRESERVATION OF ENVIRONMENT** including watershed, forests & wildlife.

Thus, only those services provided by a charitable and religious trusts [registered under section 12AA of the Income-tax Act] which fall within the above definition of charitable activities, are eligible for exemption from GST. There could be many other services provided by such charitable and religious trusts which are not covered by the definition of charitable activities and hence, such services would attract GST.

For instance, grant of advertising rights to a person on the premises of the charitable/religious trust or on publications of the trust, or granting admission to events, functions, celebrations, shows against admission tickets or fee etc. would attract GST.

In the following paras, we have examined some of the services supplied by the entities registered under section 12AA of the Income-tax Act:

Management of educational institutions by charitable trusts

Activities of schools, colleges or any other educational institutions run by charitable trusts by way of education or skill development of abandoned, orphans, homeless children, physically or mentally abused persons, prisoners or persons over age of 65 years or above residing in a **rural area**, will be considered as charitable activities and income from such supplies will be wholly exempt from GST.

The term **rural area** means the area comprised in a village as defined in land revenue records, excluding the area under any municipal committee, municipal corporation, town area committee, cantonment board or notified area committee; or any area that may be notified as an urban area by the Central Government or a State Government.

(11) Sarvsewa Trust, a charitable trust registered under section 12AA of the Income-tax Act, 1961, has organized a Skill Development Programme for the old age people over the age of 65 years residing in Bangalore city (an urban area).

Services provided by Sarvsewa Trust do not fall within the purview of 'charitable activities'. The activities relating to advancement of skill development relating to persons over the age of 65 years, are covered under the definition of 'charitable activities' only when such persons are residing in rural area.

Activities of a school, college or an institution run by a trust which do not come within the ambit of charitable activities will not be exempt under Entry 1 of the Notification. However, such activities may be exempt under Entry 66 of the Notification *[discussed later in this chapter]* provided the school, college or institution qualifies as an 'educational institution'.

Hostel accommodation provided by trusts

Hostel accommodation services provided by trusts to students do not fall within the ambit of charitable activities as defined above.

However, accommodation service in hostels including such services provided by trusts having value of supply upto ₹ 1,000 per day is exempt under Entry 14 of the

Notification⁵ [discussed later in this chapter] [Circular No. 32/06/2018-GST dated 12.02.2018].

Religious yatras or pilgrimage

Religious Yatras/pilgrimage organised by any charitable or religious trust are not exempt.

Only such services of religious pilgrimage as are provided by **specified organization** in respect of a **religious pilgrimage facilitated by the Government of India** (GoI), under bilateral arrangement, are exempt from GST. [See **Entry 60** in above table]. The term **specified organization** as referred herein means-

- Kumaon Mandal Vikas Nigam Limited (KMVN), a Government of Uttarakhand Undertaking; or
- 'Haj Committee of India' or 'State Haj Committee including Joint State Committee'.

In short, as per **Entry 60**, the services provided by the Haj Committee and KMVN in relation to pilgrimage to Mecca and Kailash- Mansarovar respectively are not liable to GST.

(12) KMVN supplies numerous services, namely, medical facilities, catering services, security, accommodation services, etc. to the pilgrims undertaking Kailash-Mansarovar pilgrimage. Such services provided by KMVN in respect of the religious pilgrimage to Kailash-Mansarovar are covered under entry 60 and thus, are exempt.

Arranging yoga and meditation camp by charitable trusts

As discussed above, services provided by entity registered under section 12AA of the Income-tax Act, 1961 by way of advancement of religion, spirituality or yoga are exempt as such activities are covered in definition of charitable activities.

Fee or consideration charged in any other form from the participants for participating in a religious, yoga or meditation programme or camp meant for advancement of religion, spirituality or yoga shall be exempt.

⁵ Entry 14 has been amended after issuance of this circular. Discussion hereunder has been suitably adapted to take into consideration the amended entry

Residential programmes or camps where the fee charged includes cost of lodging and boarding shall also be exempt as long as the **primary and predominant activity, objective and purpose of such residential programmes or camps is advancement of religion, spirituality or yoga.**

However, if charitable or religious trusts merely or primarily provide accommodation or serve food and drinks against consideration in any form including donation, such activities will be taxable. Similarly, activities such as holding of fitness camps or classes such as those in aerobics, dance, music etc. will be taxable⁶.

(13) Bhavyajyoti Foundation, a charitable trust registered under section 12AA of the Income-tax Act, 1961, has organized a 'Yoga Meditation Camp' for the old age people. GST would be exempt on the same as services provided by entity registered under section 12AA of the Income-tax Act, 1961 by way of advancement of religion, spirituality or yoga are exempt.

Hospitals managed by charitable trusts

Exemption available to health care services under Entry 74 of the Notification [discussed later in this chapter] is also applicable to the services provided by a **clinical establishment, an authorised medical practitioner or paramedics of a religious or charitable trust** also.

Training or coaching in recreational activities

Services by way of **training or coaching in recreational activities** relating to-

- (a) arts or culture, or
- (b) sports by charitable entities registered under section 12AA of the Income-tax Act are exempt from GST.

It is important to note that the exemption with regard to services provided by way of training or coaching in recreational activities relating to **sports** has a restricted scope. Here, said exemption is available only when

⁶ Circular No. 66/40/2018 GST dated 26.09.2018

said services are provided by a charitable entity registered under section 12AA of Income-tax Act⁷.

Let us now analyse the term '**recreational activities**'. The term recreational activities is very wide. However, under this entry, the scope of training or coaching in recreational activities is restricted to the area of arts, culture and sports. Hence, the training or coaching in **recreational activities in the areas other than arts, culture**

or sports is outside the purview of this entry.

Further, training or coaching relating to **all forms of arts, culture or sports** is covered under this entry, namely, dance, music, painting, sculpture making, literary activities, theatre, etc. of any school, tradition or language or any of the sports.

(14) Manavtaa Sansthaan, a charitable trust registered under section 12AA of the Income-tax Act, 1961, has organized a 'Basketball Training Camp' for teenagers. GST would be exempt on the same as services provided by entity registered under section 12AA of the Income-tax Act, 1961 by way of training or coaching in sports are exempt.

GST on services provided TO charitable trusts

Services provided to charitable or religious trusts are not outside the ambit of GST. *Unless specifically exempted*, all goods and services supplied to charitable or religious trusts are leviable to GST.

B. CONDUCT OF ANY RELIGIOUS CEREMONY

Going through Entry 13(a) of the Notification, it can be inferred that the amount charged, by whatever name called, for the conduct of any religious ceremony is exempt from GST. Religious ceremonies are life-cycle rituals including special religious poojas conducted in terms of religious texts by a

⁷ In this regard, CBIC GST Flyer – Chapter 39 - GST on Charitable and Religious Trusts has stipulated that the services provided by way of training or coaching in recreational activities relating to arts or culture or sports such as dance, music, painting, literary activities, drama etc. of any school, tradition or language or any of the sports, by a charitable entity are exempt from GST.

person so authorized by such religious texts. Occasions like birth, marriage, and death involve elaborate religious ceremonies.

(15) Raamanand Joshi, a priest, charges ₹ 12,000 for conducting a religious ceremony on the birthday of Ghanshyam's son. The amount charged for the conduct of any religious ceremony is exempt from GST.

C. RENTING OF PRECINCTS OF RELIGIOUS PLACE MEANT FOR GENERAL PUBLIC

Entry 13(b) of the Notification exempts **renting of precincts of a religious place meant for general public** owned by an entity registered under any of the specified sections of the Income Tax Act provided the consideration charged for such renting does not exceed the prescribed ceiling limits as given in said entry. Thus, this exemption is determined on the basis of amount of consideration charged for such renting. Let us understand the meaning of the terms 'religious place', 'general public' and 'precincts' referred herein.

- ❑ **Religious place** means a place which is primarily meant for conduct of prayers or worship pertaining to a religion, meditation, or spirituality.
- ❑ **General public** means the body of people at large sufficiently defined by some common quality of public or impersonal nature.
- ❑ The word '**precincts**' is not to be interpreted in a restricted manner and **all immovable property of the religious place located within the outer boundary walls** of the complex (of buildings and facilities) in which the religious place is located, is to be considered as being located in the precincts of the religious place. The immovable property located in the immediate vicinity and surrounding of the religious place and owned by the religious place or under the same management as the religious place, may be considered as being located in the precincts of the religious place and extended the benefit of above exemption.

Activities other than - conduct of religious ceremony and renting of precincts of religious place - will be taxable irrespective of the manner or the name in which the consideration is received. **For example**, if donation is received with specific instructions/mutual understanding between the donor and the receiver that religious place will host an advertisement promoting business of the donor, such donation will be subject to GST. However, if donation is received without such

instructions or without a *quid pro quo* in the form of supply of any goods or services or both by the receiver to the donor, it shall not be subject to GST⁸.

(16) Durgadevi Trust, a religious trust registered under section 12AA of the Income-tax Act, owns and manages a temple in their locality. It rents the commercial shops located in the precincts of the temple for a rent of ₹ 10,000 per month per shop. The consideration so received is liable to GST as such services are exempt only when the consideration is less than ₹ 10,000 per month.

(17) Sarvshiksha Foundation, an educational institution registered under section 10(23C)(v) of the Income-tax Act, owns and manages a gurudwara. It rents the community hall located in the precincts of the gurudwara for a rent of ₹ 9,000 per day for a marriage function. The consideration so received is exempt from GST as the consideration is less than ₹ 10,000 per day.

2. Agriculture related services

ANALYSIS

ENTRY 54

- The words **'Services relating to cultivation of plants and rearing of all life forms of animals, except the rearing of horses, for food, fibre, fuel, raw material or other similar products'** used in **Entry 54** include activities like breeding of fish (pisciculture), rearing of silk worms (sericulture), cultivation of ornamental flowers (floriculture) and horticulture, forestry, etc.

- Further, the term **'agricultural produce'** means any produce out of cultivation of plants and rearing of all life forms of animals, except the rearing of horses, for food, fibre, fuel, raw material or other similar products, **on which either no further processing is done or such processing is done as is usually done by a cultivator or producer which does not alter its essential characteristics, but makes it marketable for primary market.** It is important to note that agricultural produce is either subject to no further processing at all or if any processing is undertaken on

the agricultural produce it should not alter its essential characteristics but may make it marketable for primary market. Few instances of such processes are the processes carried out at an agricultural farm including tending, pruning, cutting, harvesting, drying, cleaning, trimming, etc.

Let us examine what is exempt under Entry 54.

- Entry 54 exempts the agricultural operations directly related to production of any agricultural produce such as cultivation, harvesting, threshing, plant protection or testing. Further, processes carried out at an agricultural farm including tending, pruning, cutting, harvesting, drying, cleaning, trimming, sun drying, fumigating, curing, sorting, grading, cooling or bulk packaging and such like **operations which do not alter the essential characteristics of agricultural produce but make it only marketable for the primary market** are also exempt. In view of the same, following processes are outside the purview of this entry and thus, are liable to GST:-

- (a) **Process which alters the essential characteristics of the agricultural produce:** For instance, potato chips or tomato ketchup are manufactured through processes which alter the essential characteristic of farm produce (potatoes and tomatoes in this case).
- (b) **Process which makes agricultural produce marketable in the retail market:** The processes of grinding, sterilizing, extraction packaging in retail packs of agricultural products, which make the agricultural products marketable in retail market, would NOT be covered in this entry. Only such processes are covered in this entry which makes agricultural produce marketable in the primary market.

- ❑ Apart from this, supply of farm labour is also exempt from GST.

Renting or leasing of agro machinery or vacant land

- ❑ Item (d) of the entry exempts **renting or leasing of agro machinery or vacant land** with or without a structure incidental to its use.

(18) Moolchand has leased out to a farmer – Tulsidas - a vacant land for agriculture. The land has a greenhouse and a storage shed which are incidental to its use for agriculture. Leasing of vacant land with a greenhouse and a storage shed which is incidental to its use for agriculture is exempt from GST.

Agricultural extension services

- ❑ Item (f) of the entry exempts **Agricultural Extension Services (AES)**. Said services have been defined under the notification to mean the application of scientific research and knowledge to agricultural practices through farmer education or training.

The main objective of AES is to transmit latest technical know-how to farmers. It also focuses on enhancing farmers' knowledge about crop techniques and help them to increase productivity. This is done through training courses, kisan call centres, farm visits, on farm trials, kisan melas, kisan clubs, advisory bulletins and the like.

Agricultural Produce Marketing Committee services

- ❑ Services by any **Agricultural Produce Marketing Committee** or Board or services provided by a commission agent for sale or purchase of agricultural produce are not liable to GST. Agricultural Produce

Marketing Committee or Board means any committee or board set up under a State Law for the time being in force for purpose of regulating the marketing of agricultural produce.

- ❑ Such marketing committees or boards have been set up in most of the States and provide a variety of support services for facilitating the marketing of agricultural produce by provision of facilities and amenities like, sheds, water, light, electricity, grading facilities etc. They also take measures for prevention of sale or purchase of agricultural produce below the minimum support price. APMCs **collect market fees, license fees, rents** etc.
- ❑ Services provided by such Agricultural Produce Marketing Committee or Board are covered in item (g) of entry 54. However, any service provided by such bodies **which is not directly related to cultivation** of plants and rearing of all life forms of animals, except the rearing of horses, for food, fibre, fuel, raw material or other similar products or agricultural produce, will be liable to tax e.g. renting of shops or other property for commercial purposes.

Warehousing of agriculture produce

- ❑ **Item (e) of entry 54** exempts loading, unloading, packing, storage or warehousing of **agricultural produce**. In this regard, following may be noted:
- ❑ **Processed Tea and coffee**

Tea used for making the beverage, such as black tea, green tea, white tea is a processed product made in tea factories after carrying out several processes, such as drying, rolling,

shaping, refining, oxidation, packing etc. on green leaf and is the processed output of the same. Thus, green tea leaves and not tea is the "agricultural produce" eligible for exemption under entry 54 where such exemption is available for loading, unloading, packing, storage or warehousing of agricultural produce. Same is the case with coffee obtained after processing of coffee beans⁹.

⁹ Storage/ warehousing of coffee and tea are nevertheless exempted by entry 24B.

❑ Jaggery

Similarly, processing of sugarcane into jaggery changes its essential characteristics. Thus, jaggery is also not an agricultural produce¹⁰.

❑ Pulses

Pulses commonly known as dal are obtained after dehusking or splitting or both. The process of dehusking or splitting is usually not carried out by farmers or at farm level but by the pulse millers. Therefore pulses (dehusked or split) are also not agricultural produce. However, whole pulse grains such as whole gram, rajma etc. are covered in the definition of agricultural produce.

In view of the above, it is inferred that processed products such as tea (i.e. black tea, white tea etc.), processed coffee beans or powder, pulses (dehusked or split), jaggery, processed spices, processed dry fruits, processed cashew nuts etc. fall outside the definition of agricultural produce and therefore do not fall within item (e) of entry 54 [Circular No. 16/16/2017 GST dated 15.11.2017].

ENTRY 55

Custom milling of paddy into rice

Carrying out an intermediate production process as job work in relation to cultivation of plants and rearing of all life forms of animals, except the rearing of horses, for food, fibre, fuel, raw material or other similar products or agricultural produce is exempt under GST.

Milling of paddy is not an intermediate production process in relation to cultivation of plants. It is a process carried out after the process of cultivation is over and paddy has been harvested.

Further, processing of paddy into rice is not usually carried out by cultivators, but by rice millers. Milling of paddy into rice also changes its essential characteristics. Therefore, milling of paddy into rice cannot be considered as an intermediate production process in relation to

¹⁰ Storage/ warehousing of jaggery is nevertheless exempted by entry 24B.

cultivation of plants for food, fibre or other similar products or agricultural produce.

In view of the above, it is clarified that milling of paddy into rice is not eligible for exemption under Entry 55 [Circular No. 19/19/2017 GST dated 20.11.2017].

ILLUSTRATION 1

Dukhiya Das is engaged in providing following services. With the help of information given below, determine which of the services provided by Dukhiya Das are exempt from GST:

- (1) *Packaging of the onions purchased from village farmers into small packets of 1 kg each, in Dukhiya Das warehouse, so that same can be sold in a nearby city mall.*
- (2) *Warehousing of jaggery and tea.*
- (3) *Renting of warehouse for storage of agricultural produce.*

ANSWER

- (1) Entry 54, *inter alia*, exempts the processes/operations carried out at an agricultural farm on the agricultural produce which do not alter the essential characteristics of agricultural produce, but make it marketable only for the primary market. In the given case, though the packaging of onions does not alter their essential characteristic, it makes them marketable for retail market and not for the primary market and further, such packaging is being done at the warehouse of Dukhiya Das and not at an agricultural farm. Hence, said services are not exempt.
- (2) Entry 54, *inter alia*, exempts the warehousing of agricultural produce. However, entry 24B exempts warehousing of certain specified items some of which are not agricultural produce. Although jaggery and tea do not qualify as agricultural produce, their warehousing is specifically exempt under entry 24B.
- (3) Entry 54, *inter alia*, exempts the services of loading, unloading, packing, storage or warehousing of agricultural produce. Thus, warehousing of agricultural produce, *per se*, is exempt. However, in the given case, services being provided are not warehousing services but renting of immovable property services. Such services are not exempt.

3. Education services

Entry No.	Description of services
66	<p>Services provided -</p> <ul style="list-style-type: none"> (a) by an educational institution to its students, faculty and staff; (aa) by an educational institution by way of conduct of entrance examination against consideration in the form of entrance fee; (b) to an educational institution, by way of,- <ul style="list-style-type: none"> (i) transportation of students, faculty and staff; (ii) catering, including any mid-day meals scheme sponsored by the Central Government, State Government or Union territory; (iii) security or cleaning or house-keeping services performed in such educational institution; (iv) services relating to admission to, or conduct of examination by, such institution; (v) supply of online educational journals or periodicals. <p>However, nothing contained in sub-items (i), (ii) and (iii) of item (b) shall apply to an educational institution other than an institution providing services by way of pre-school education and education up to higher secondary school or equivalent.</p> <p>Further, nothing contained in sub-item (v) of item (b) shall apply to an institution providing services by way of,-</p> <ul style="list-style-type: none"> (i) pre-school education and education up to higher secondary school or equivalent; or (ii) education as a part of an approved vocational education course.

ANALYSIS

Education is fundamental to the nation building process. The term "Education" is not defined in the CGST Act, 2017, but as per Apex Court decision in "*Loka Shikshana Trust v. CIT*", education is process of training and developing knowledge, skill and character of students by normal schooling.

Taxing the Education Sector has always been a sensitive issue, as education is seen more as a social activity than a business one. The Government has a constitutional obligation to provide free and compulsory elementary education to every child. Thus, to promote education, it would be beneficial if educational services are exempted from tax.

However, commercialization of education is also a reality. The distinction between core and ancillary education is blurring and education is now an organised industry with huge revenues. The GST law tries to maintain a fine balance whereby core educational services provided and specified services received by educational institutions are exempt and other services are sought to be taxed.

Exemption from GST granted vide Entry 66 stated above can be discussed under two broad categories –output services and input services of an educational institution. The discussion in succeeding paras fundamentally revolves around these two areas:

Output services

- ❑ Services provided by an educational institution to its students, faculty and staff and by way of conduct of entrance examination against consideration in the form of entrance fee are exempt from GST.

Since exemption with respect to said services is available only when these services are provided BY 'educational institution', it is important to analyse the term EDUCATIONAL INSTITUTION first:

Educational institution means an institution providing services by way of,-

- (i) **pre-school education** and education up to **higher secondary school** or equivalent;
- (ii) education as a part of a curriculum for obtaining a **qualification recognised by any law** for the time being in force;
- (iii) education as a part of an **approved vocational education** course.

- It is to be noted that only those institutions, whose operations conform to the specifics given in the definition of the term “educational institution”, would be treated as one entitled to avail exemptions provided by the law.

- **Sub-clause (ii):** The term **‘education as a part of curriculum for obtaining a qualification recognised by any law for the time being in force’** means the education delivered as **‘a part’** of the curriculum that has been prescribed for obtaining a qualification prescribed by law. Thus, in order to be covered under Entry 66, the education service should be delivered as part of curriculum. In view of same, it can be inferred that:

Education services provided	Covered in sub-clause (ii)	Reasons
Conduct of degree courses by colleges, universities or institutions	✓	These courses lead to grant of qualifications recognized by law
Training given by private coaching institutes	✗	Such training does not lead to grant of a recognized qualification.
Education as a part of a prescribed curriculum for obtaining a qualification recognized by a law of a foreign country	✗	Only a course recognized by an Indian law is covered herein.

(19) ‘Dharam Institute of Technology’ (DIT), a private engineering college in M.P., offers post graduate engineering programmes. All the engineering courses including the distance learning post graduate engineering programme offered by DIT are recognised by the law [The All India Council for Technical Education (AICTE)]. Since DIT imparts education as a part of a curriculum for obtaining a qualification recognised by the Indian law, the same is an educational institution.

- **Sub-clause (ii):** An institution providing pre-school education and education up to higher secondary school or equivalent qualify as an educational institution.

(20) 'Littleways Public School' is a school located in Tamil Nadu. The school has two branches – one is a pre-school and another is a higher secondary school affiliated to CBSE. A pre-school and a higher secondary school are educational institutions. Thus, Littleways Public School qualifies as an educational institution.

- **Sub-clause (iii)** covers institutions providing services by way of education as a part of approved vocational education course. An **approved vocational education course** means, -

- a **course run by an ITI/ ITC¹¹** affiliated to the National Council for Vocational Training (NCVT) or State Council for Vocational Training (SCVT) **offering courses in designated trades notified under the Apprentices Act, 1961** or
- a **Modular Employable Skill Course**, approved by the NCVT, run by a person registered with the Directorate General of Training, Ministry of Skill Development and Entrepreneurship. The Modular Employable Skills is the minimum skill set which is sufficient for gainful employment or self-employment in the world of work. It provides employable skills to early school drop-outs, existing workers seeking skill upgradation, workers seeking certification of their skills acquired informally, etc. to improve their employability and provides certification after completion of the course.

(21) 'Kaladrishti ITI, Gorakhpur is engaged in providing skill development courses in other than designated trades notified under the Apprentices Act, 1961. Since courses offered by Kaladrishti ITI are not in designated trades notified under the Apprentices Act, 1961, education provided by it is not approved as vocational educational course as defined above. Resultantly, it doesn't qualify as an educational institution.

¹¹ Industrial Training Institute/ Industrial Training Centre

In view of the above definition, some of the institutions providing education services have been examined as under:

Private ITIs

- ❑ **Private ITIs** qualify as an educational institution if the education provided by these ITIs is approved as vocational educational course as defined above.

It implies that services provided by a private ITI only in respect of **designated**

trades notified under Apprentices Act, 1961¹² are exempt from GST under Entry 66. Services in other than designated trades are liable to GST**.

Government ITIs

As far as **Government ITIs** are concerned, services provided by a Government ITI to individual trainees/ students, are exempt under Entry 6 as these are in the nature of services provided by the Central or State Government to individuals [Entry 6 is discussed in detail subsequently]. Such exemption in relation to services provided by Government ITI would cover both - vocational training and examinations conducted by these Government ITIs [Circular No. 55/29/2018 GST dated 09.08.2018].

***As regards the services **provided TO** private ITIs, only services relating to admission to or conduct of examination received by a private ITI in respect of such designated trades are exempt. All other services provided to such institutions is liable to GST.*

It is important to note that the Central and State Educational Boards shall be treated as 'Educational Institution' for the limited purpose of providing services by way of conduct of examination to the students.

Unrecognized educational institutions

- ❑ Private coaching centres or other unrecognized institutions, though self-styled as educational institutions, would not be treated as educational

¹² Some of the designated trades notified under the Apprentices Act, 1961 are electrician, wireman, carpenter, plumber, mason, mechanic, tool and die maker, baker and confectioner, weaver, tailor, footwear maker, photographer, beautician, painter, desk top publishing operator, gardener, cable television operator, library assistant, etc.

institutions under GST and thus cannot avail exemptions available to an educational institution.

(22) 'Super Minds', a coaching institute in Raipur, provides coaching for Institute of Banking Personnel Selection (IBPS) Probationary Officers Exam. Super Minds, being a coaching centre which trains candidates to secure a banking job, is not an educational institution in terms of the exemption notification.

Educational institutions up to Higher secondary schools

- ❑ By virtue of Entry 66, educational institutions up to Higher Secondary School level do not suffer GST on output services and also on specified input services *[discussed in subsequent paras]*. However, some of the input services like repairs and maintenance etc. provided by private players to educational institutions are subject to GST.
- ❑ Output services of lodging/boarding in hostels provided by such educational institutions which are providing pre-school education and education up to higher secondary school or equivalent or education leading to a qualification recognised by law, are fully exempt from GST. Annual subscription/fees charged as lodging/boarding charges by such educational institutions from its students for hostel accommodation shall therefore, not attract GST.
- ❑ **Boarding schools** provide service of education coupled with other services like providing dwelling units for residence and food. This may be a case of composite supply if the charges for education and lodging and boarding are inseparable. Their taxability will be determined in terms of the principles laid down in section 2(30) read with section 8 of the CGST Act, 2017.

Such services in the case of boarding schools are naturally bundled and supplied in the ordinary course of business. Therefore, the bundle of services will be treated as consisting entirely of the principal supply, which means the service which forms the predominant element of such a bundle.

In this case since the predominant nature is determined by the service of education, the other service of providing residential dwelling will not be considered for the purpose of determining the tax liability and in this case the entire consideration for the supply will be exempt.

Educational institutions providing qualification recognized by law

- ❑ We have already seen that the institutions providing services by way of education as a part of a curriculum for obtaining a qualification recognised by any law for the time being in force qualify as educational institutions. However, the question arises that in case where **a course in a college leads to dual qualification only one of which is recognized by law**, would service provided by the college by way of such education be covered by the exemption notification?
- ❑ Provision of dual qualifications is in the nature of two separate services as the curriculum and fees for each of such qualifications are prescribed separately. Service in respect of each qualification would, therefore, be assessed separately.

If an artificial bundle of service is created by clubbing two courses together, when only single fee is charged for both, only one of which leads to a qualification recognized by law, then by application of the rule of determination of taxability of a supply which is not bundled in the ordinary course of business, it shall be treated as a mixed supply as per provisions contained in section 2(74) read with section 8 of the CGST Act, 2017. The taxability will be determined by the supply which attracts highest rate of GST.

- ❑ However, **incidental auxiliary courses provided by way of hobby classes or extra-curricular activities in furtherance of overall well-being** will be an example of naturally bundled course, and therefore treated as composite supply. One relevant consideration in such cases will be the amount of extra billing being done for the unrecognized component viz-a-viz the recognized course. If extra billing is being done, it may be a case of artificial bundling of two different supplies, not supplied together in the ordinary course of business, and therefore will be treated as a mixed supply, attracting the rate of the higher taxed component for the entire consideration¹³.

¹³ The view taken in the preceding paras, that education coupled with other incidental services is a composite supply and is exempt since the principal supply [education service] is exempt, is based on the CBIC Flyer - Chapter 40 – 'GST on Education Services'. However, it is also possible to take a different view since as per the definition of composite supply under section 2(30) of the CGST Act, composite supply consists of two or more **taxable supplies**.

IIMs

- ❑ Indian Institutes of Management Act, 2017 (IIM Act, 2017) empowers IIMs to (i) grant degrees, diplomas, and other academic distinctions or titles, (ii) specify the criteria and process for admission to courses or programmes of study, and (iii) specify the academic content of programmes.
- ❑ Resultantly, all the IIMs fall under purview of “educational institutions” as they provide education as a part of a curriculum for obtaining a qualification recognized by law for the time being in force.
- ❑ IIMs provide various long duration programs (1 year or more) for which they award diploma/ degree certificate duly recommended by Board of Governors as per the power vested in them under the IIM Act, 2017. Services provided by IIMs to their students- in all such long duration programs (one year or more) are exempt from levy of GST.
- ❑ IIMs also provide various short duration/ short term programs (less than 1 year) for which they award participation certificate to the executives/ professionals as they are considered as “participants” of the said programmes. These participation certificates are not any qualification recognized by law.

Such participants are also not considered as students of IIM. Services provided by IIMs as an educational institution to such participants is not exempt from GST and GST is payable on the same [Circular No. 82/01/2019 GST dated 01.01.2019].

Supply of food in a mess or canteen

- ❑ Educational institutions generally have mess facility for providing food to their students and staff. Such facility is (i) either run by the institution/ students themselves or (ii) is outsourced to a third person.
- ❑ **If the catering services is one of the services provided by an educational institution to its students, faculty and staff and the said educational institution is covered by the definition of ‘educational institution’ as given above, then the same is exempt [covered under item (a) of entry 66 of the Notification].**

- ❑ **If the catering services, i.e., supply of food or drink in a mess or canteen, is provided by anyone other than the educational institution,** i.e. the institution outsources the catering activity to an outside contractor, then it is a supply of service **to** the concerned educational institution by such outside caterer and attracts GST.**

****Note:** *Said services when provided to an educational institution providing pre-school education or education up to higher secondary school or equivalent are exempt from tax [covered under item (b)(ii) of entry 66 of the Notification].*

Fees charged from prospective employers

Educational institutes such as IITs, IIMs charge a fee from prospective employers like corporate houses/MNCs, who come to the institutes for recruiting candidates through campus interviews in relation to campus recruitments. Such services shall also be liable to tax

Maritime courses approved by DG Shipping

Maritime Training Institutes and their training courses are approved by the Director General of Shipping which are duly recognised under the provisions of the Merchant Shipping Act, 1958 read with the Merchant Shipping (standards of training, certification and watch-keeping for Seafarers) Rules, 2014.

Therefore, Maritime Training Institutes are educational institutions and the courses conducted by them are exempt subject to fulfilment of other conditions specified herein [Circular No. 117/36/2019 GST dated 11.10.2019].

Input services

- ❑ Regarding, input services, it may be noted that where output services are exempted, the educational institutions may not be able to avail credit of tax paid on the input side. The auxiliary education services *[services which educational institutions ordinarily carry out themselves, but may obtain as outsourced services from any other person]* specified in item (b) of entry 66 only have been exempted [Sub-items (i) to (v) of item (b) of Entry 66].
- ❑ However, the said exemption comes with a rider. Auxiliary services of (i) transportation of students, faculty, and staff, (ii) catering including any mid-day meals scheme sponsored by Government and (iii) security or cleaning or housekeeping services are exempt only if such auxiliary education services

are provided to educational institutions providing services by way of education up to higher secondary or equivalent, (from pre-school to HSC). Thus, if such auxiliary education services are provided to educational institutions providing degree or higher education or institutions providing approved vocational education course, the same would not be exempt.

- Similarly, services of supply of online educational journals/periodicals are exempt only if they are provided to an institution providing services by way of education as a part of a curriculum for obtaining a qualification recognised by any law for the time being in force¹⁴.

(23) Little Millennium – a pre school in outskirts of Mumbai – has subscribed the online journals on child development and experiential learning. Services of supply of online educational journals or periodicals provided, *inter alia*, to an institution providing services by way of pre-school education are not exempt.

(24) SM Transporters has provided services of transportation of students and faculty from their residence to school and back, to Pathwheels School - a higher secondary school. Services of transportation of students, faculty and staff provided, *inter alia*, to an institution providing services by way of education up to higher secondary school or equivalent are exempt.

(25) Shiksha College, offering degree courses, has to conduct its half yearly examination in November. For this purpose, it has paid the honorarium to paper setters and examiners (not on the rolls of Shiksha College) for their services. Further, it availed the printing services for printing the question papers (paper and content are provided by Shiksha College) for conducting examination. Services provided to an educational institution relating to admission to, or conduct of examination by, such institution are exempt. Therefore, services of paper setters and examiners and printing services availed by Shiksha College are exempt.

¹⁴ The discussion in the foregoing paras is primarily based on CBIC Flyer - Chapter 40 – 'GST on Education Services' unless otherwise specified.

(26) Gyaani Public School – a higher secondary school – has hired Suvidha Services Ltd. for security and housekeeping services in the school. Security and housekeeping services provided within the premises of, *inter alia*, a higher secondary school are exempt. Therefore, said services provided by Suvidha Services Ltd. are exempt.

The school subsequently hired Suvidha Services Ltd. for providing the security and housekeeping services at School's Annual Day function organised in an auditorium outside the school campus. Security and housekeeping services provided to Gyaani Public School for School's Annual Day function organised outside the school campus will be taxable as only the security and housekeeping services performed **within the premises** of the higher secondary school are exempt.

The exemptions available in respect of input and output services of an educational institution have been tabulated as follows:

Type of educational institution

	Educational institution providing pre-school education and education up to higher secondary school or equivalent	Educational institution providing education as a part of a curriculum for obtaining a recognised qualification	Educational institution providing education as a part of approved vocational education course
<i>Exempt input services</i>	(i) transportation of students, faculty and staff; (ii) catering, including any mid-day meals scheme sponsored by the Central Government, State Government or Union territory; (iii) security or cleaning or	(i) services relating to admission to, or conduct of examination by, such institution (ii) supply of online educational journals or periodical	Services relating to admission to, or conduct of examination by, such institution.

	house-keeping services performed in such educational institution; (iv) services relating to admission to, or conduct of examination by, such institution		
<i>Exempt output services</i>	Services provided by an educational institution - (a) to its students, faculty and staff; (aa) by way of conduct of entrance examination against consideration in the form of entrance fee.		

4. Health care services

Entry No.	Description of services
46	Services by a veterinary clinic in relation to health care of animals or birds.
74	Services by way of- (a) health care services by a clinical establishment, an authorised medical practitioner or para-medics; (b) services provided by way of transportation of a patient in an ambulance, other than those specified in (a) above.
73	Services provided by the cord blood banks by way of preservation of stem cells or any other service in relation to such preservation.

ANALYSIS

Entry 74 - Health care services by a clinical establishment, an authorised medical practitioner or para-medics are exempt from GST [Entry 74(a) of the Notification]. The term 'health care services' is defined as follows:

Health care services

- ☐ means any service by way of diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognised system of medicines in India and
- ☐ includes services by way of transportation of the patient to and from a clinical establishment, but
- ☐ does not include hair transplant or cosmetic or plastic surgery, except when undertaken to restore or to reconstruct anatomy or functions of body affected due to congenital defects, developmental abnormalities, injury or trauma.

Health care services

As it is apparent from the definition of health care services, only services in recognized systems of medicines in India are exempt under this entry. Following systems of medicines are the recognized systems of medicines in India¹⁵:-

- ☐ Allopathy
- ☐ Yoga
- ☐ Naturopathy
- ☐ Ayurveda
- ☐ Homeopathy
- ☐ Siddha
- ☐ Unani
- ☐ Any other system of medicine that may be recognized by Central Government

Recognized systems of medicines

Let us now understand the meaning of terms - 'clinical establishment', 'authorised medical practitioner' and 'paramedics'.

¹⁵ Section 2(h) of the Clinical Establishments Act, 2010

Clinical establishment: means a hospital, nursing home, clinic, sanatorium or any other institution by, whatever name called, that offers services or facilities requiring diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognised system of medicines in India, or a place established as an independent entity or a part of an establishment to carry out diagnostic or investigative services of diseases. Thus, diagnostic or investigative services of diseases provided by pathological labs are not liable to GST.

Authorised medical practitioner: means a medical practitioner registered with any of the councils of recognised system of medicines established/recognised by law in India & includes a medical professional having requisite qualification to practice in any recognised system of medicines in India as per any law for the time being in force.

Further, **Paramedics** are trained health care professionals, for example, nursing staff, physiotherapists, technicians, lab assistants etc. Services by them in a clinical establishment would be in the capacity of employee and not provided in independent capacity and will thus be considered as services by such clinical establishment. Similar services in independent capacity are also exempted.

Rent of rooms provided to in-patients

- ☐ Rent of rooms provided to in-patients in hospitals is exempt [Circular No. 27/01/2018 GST dated 04.01.2018].

Services provided by senior doctors/ consultants/ technicians

- ☐ Hospitals hire senior doctors/ consultants/ technicians independently. Such persons do not have any contract with the patient. Hospitals pay them consultancy charges and there is no employer-employee relationship between them.
- ☐ It is clarified by CBIC that services provided by such senior doctors/ consultants/ technicians, whether employees or not, are healthcare services which are exempt from GST [Circular No. 32/06/2018 GST dated 12.02.2018].

Amount charged by hospitals from the patients

- ❑ In above cases, suppose hospitals charge the patients, say, ₹ 10,000/- and pay to the consultants/technicians only ₹ 7,500/- and keep the balance for providing ancillary services which include nursing care, infrastructure facilities, paramedic care, emergency services, checking of temperature, weight, blood pressure, etc. Going through the definition of health care services [given above], it can be inferred that hospitals also provide healthcare services.
- ❑ The entire amount charged by them from the patients including the retention money and the fee/payments made to the doctors etc., is towards the healthcare services provided by the hospitals to the patients and is exempt [Circular No. 32/06/2018 GST dated 12.02.2018].

Food supplied to the patients

- ❑ Health care services provided by the clinical establishments will include food supplied to the patients; but such food may be prepared by the canteens run by the hospitals or may be outsourced by the hospitals from outdoor caterers.
- ❑ When outsourced, there is no ambiguity that the suppliers shall charge tax as applicable and hospital will get no ITC.
- ❑ Food supplied to the in-patients as advised by the doctor/nutritionists is a part of composite supply of healthcare and not separately taxable.
- ❑ Other supplies of food by a hospital to patients (not admitted) or their attendants or visitors are taxable [Circular No. 32/06/2018 GST dated 12.02.2018]¹⁶.

¹⁶ The view taken in the preceding paras, that health care services coupled with other incidental services is a composite supply and is exempt since the principal supply [health care service] is exempt, is based on Circular No. 32/06/2018 GST dated 12.02.2018. However, it is also possible to take a different view since as per the definition of composite supply under section 2(30) of the CGST Act, composite supply consists of two or more **taxable supplies**.

Services other than health care services in clinical establishment's premises

- ❑ Supply of services other than healthcare services such as renting of shops, auditoriums in the premises of the clinical establishment, display of advertisements etc. will be subject to GST¹⁷.

ILLUSTRATION 2

Good Health Medical Centre, a clinical establishment, offers the following services:

- (i) Reiki healing treatments.*
- (ii) Plastic surgeries. One such surgery was conducted to repair cleft lip of a new born baby.*
- (iii) Air ambulance services to transport critically ill patients from distant locations to the Medical Centre.*
- (iv) Palliative care for terminally ill patients. On request, such care is also provided to patients at their homes. (Palliative care is given to improve the quality of life of patients who have a serious or life-threatening disease but the goal of such care is not to cure the disease).*
- (v) Alternative medical treatments by way of yoga.*

Good Health Medical Centre also operates a cord blood bank which provides services in relation to preservation of stem cells.

Good Health Medical Centre is of the view that since it is a clinical establishment, all the service provided by it as well as all the services provided to it are exempt from GST.

You are required to examine the situation in the light of relevant statutory provisions.

ANSWER

Health care services provided by a clinical establishment, an authorised medical practitioner or para-medics are exempt from GST under Entry 74. In light of the same, the eligibility to exemption in respect of each service offered by Good Health Medical Centre is examined below:

¹⁷ As clarified by the CBIC GST Flyer – Chapter 39 - GST on Charitable and Religious Trusts

- (i) **Not Exempt.** Since reiki healing is not a recognized system of medicine in terms of section 2(h) of Clinical Establishments Act, 2010, it would not be exempt and thus, GST would be payable thereon.
- (ii) **Exempt.** Health care service does not include, *inter alia*, cosmetic or plastic surgery, except when undertaken to restore or to reconstruct anatomy or functions of body affected due to congenital defects, developmental abnormalities, injury or trauma.

Therefore, plastic surgeries will not be entitled to the said exemption and thus, GST would be payable thereon. However, plastic surgery conducted to repair a cleft lip will be eligible for exemption as it reconstructs anatomy or functions of body affected due to congenital defects (cleft lip).
- (iii) **Exempt.** Health care service includes services by way of transportation of the patient to and from a clinical establishment. Thus, air ambulance service to transport critically ill patients to Good Health Medical Centre would be eligible for exemption under the said notification.
- (iv) **Exempt.** Health care service means any service by way of diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognized system of medicines in India. It is immaterial whether such service is provided at the clinical establishment or at the home of the patient or at any other place. Thus, palliative care for terminally ill patients is exempt.
- (v) **Exempt.** Since Yoga is a recognized system of medicine in terms of section 2(h) of Clinical Establishments Act, 2010, the same would be eligible for exemption under the said notification.

Further, services provided by cord blood banks by way of preservation of stem cells or any other service in relation to such preservation are exempt from GST under Entry 73. Therefore, services provided in relation to preservation of stem cells by the cord blood bank operated by Good Health Medical Centre will be exempt from GST.

It is important to note that Entry 74 of the exemption notification grants exemption to health care services provided BY a clinical establishment and not to services provided TO a clinical establishment. Therefore, Good Health Medical Centre's contention that since it is a clinical establishment, all the services provided to it are also exempt from GST is not correct in law.

5. Services provided by Government

Exemption to services provided by Government

Not all services provided by the Government or a local authority are exempt from tax. As for instance, following services are not exempt:

(a) services by the Department of Posts by way of speed post, express parcel post, life insurance, and agency services provided to a person other than Government;

(b) services in relation to an aircraft or a vessel, inside or outside the precincts of an airport or a port;

(c) transport of goods or passengers; or

(d) any service, other than services covered under (a) to (c) above, provided to business entities [with aggregate turnover exceeding ***such amount in the preceding financial year as makes it eligible for exemption from registration under CGST Act***].

Services mentioned in clause (a) to (c) above have been referred to as **“specified services”** in discussion hereunder.

Let us first understand what does ‘Government’ and ‘local authority’ mean?

Meaning of Government

- ❑ As per section 2(53) of the CGST Act, 2017, ‘Government’ means the Central Government.
- ❑ Various State/ Union Territories (with Legislatures) GST Acts define ‘Government’ as Government of respective State Government/ Union Territory. For Union Territories (without State Legislatures), ‘Government’ means the Administrator or any Authority or officer authorized to act as Administrator by the Central Government.
- ❑ Regulatory bodies/agencies, for instance, Competition Commission of India, Press Council of India, Directorate General of Civil Aviation, Forward Market Commission, Inland Water Supply Authority of India, Central Pollution Control Board, Securities and Exchange Board of India, do not fall under the definition of Government.

Meaning of local authority

- ❑ Local authority is defined in section 2(69) of the CGST Act, 2017 and means the following:
 - ✓ a **“Panchayat”** as defined in clause (d) of article 243 of the Constitution;
 - ✓ a **“Municipality”** as defined in clause (e) of article 243P of the Constitution;
 - ✓ a **Municipal Committee, a Zilla Parishad, a District Board**, and any other authority legally entitled to, or entrusted by the Central Government or any State Government with the control or management of a municipal or local fund;
 - ✓ a **Cantonment Board** as defined in section 3 of the Cantonments Act, 2006;
 - ✓ a **Regional Council or a District Council** constituted under the Sixth Schedule to the Constitution;
 - ✓ a Development Board constituted under article 371 and article 371J of the Constitution;

- ✓ a **Regional Council** constituted under article 371A of the Constitution.

Thus, 'local authority' includes only those bodies which are listed in the above definition. It would not include other body which is merely described as a 'local body' by virtue of a local law. For example, local developmental authorities - setup by State Governments to undertake developmental works - like Delhi Development Authority, Ahmedabad Development Authority, Bangalore Development Authority, etc. are not qualified as local authorities.

In the subsequent paras, we have examined some of the Government services:

Services provided to a business entity

- ❑ Entry 7 provides that services provided to a business entity are exempt if its aggregate turnover is upto ***such amount in the preceding financial year as makes it eligible for exemption from registration under the CGST Act.***
- ❑ However, this exemption is not applicable to **specified services** and renting of immovable property services. **Renting in relation to immovable property** means allowing, permitting or granting access, entry, occupation, use or any such facility, wholly or partly, in an immovable property, with or without the transfer of possession or control of the said immovable property and includes letting, leasing, licensing or other similar arrangements in respect of immovable property.
- ❑ GST on services supplied by the Central Government, State Government, Union territory or local authority to a business entity [whose turnover exceeds ***such amount in the preceding FY as makes it eligible for exemption from registration under the CGST Act***] is payable under reverse charge by such business entity.

However, reverse charge provisions are not applicable to renting of immovable property services provided to unregistered persons and where '**specified services**' are being provided to such business entity [See the reverse charge provisions as discussed in Chapter – 3: Charge of GST].

(27) A small business entity is carrying on a business relating to consulting engineer services in Delhi. The aggregate turnover of the entity in the preceding financial year does not exceed the limit of ₹ 20 lakh. Thus, no tax is payable on the services received by it from Government or a local authority.

Services provided by the Department of Posts

- ❑ Entry 6 stipulates that the services by way of speed post, express parcel post, and life insurance, provided by the Department of Posts to a person other than the Government or Union territory are not exempt.
- ❑ The Department of Posts also provides services like distribution of mutual funds, bonds, passport applications, collection of telephone and electricity bills **on commission basis**.
- ❑ These services are in the nature of intermediary and generally called **agency services**. On agency services, the **Department of Posts is liable to pay tax** without the application of reverse charge.
- ❑ However, the following services provided by the **Department of Posts are not liable to tax**:
 - (a) **Basic mail services** known as postal services such as post card, inland letter, book post, registered post provided exclusively by the Department of Posts to meet the universal postal obligations.
 - (b) Transfer of money through money orders, operation of savings accounts, issue of postal orders, pension payments and other such services.

Services provided by one Department of the Government to another Department of the Government

- ❑ Services (except specified services) provided by one Department of the Central Government/ State Government to another Department of the Central Government/ State Government are exempt under Entry 8.

Services by governmental authority by way of any activity in relation to any function entrusted to Panchayat/ Municipality

Services provided by governmental authority by way of any activity in relation to any function entrusted to a municipality under Article 243W of the Constitution¹⁸ and services by a governmental authority by way of any activity in relation to any function entrusted to a Panchayat under article 243G of the Constitution¹⁹ are exempt vide Entry 4 and Entry 5 respectively.

Services provided by Police/security agencies of Government to PSUs/corporate entities/sports events held by private entities

- ❑ Services provided by Police/security agencies of Government to PSU/private business entities are not exempt from GST.
- ❑ Such services are taxable supplies and the recipients are required to pay the tax under reverse charge mechanism on the amount of consideration paid to Government for such supply of services [See the reverse charge provisions as discussed in Chapter – 3: Charge of GST].

(28) The Karnataka Cricket Association, Bangalore requests the Commissioner of Police, Bangalore to provide security in and around the Cricket Stadium for the purpose of conducting the cricket match. The Commissioner of Police arranges the required security for an agreed consideration. In this case, services of providing security by the police personnel are not exempt. As the services are provided by

¹⁸ The functions entrusted to municipality under the Twelfth Schedule to Article 243W of the constitution include urban planning including town planning, roads and bridges, public health, sanitation conservancy and solid waste management, fire services, slum improvement and upgradation, promotion of cultural, educational and aesthetic aspects, provision of urban amenities and facilities such as parks, gardens, playgrounds, public amenities including street lighting, parking lots, bus stops and public conveniences, etc.

Services provided by way of tolerating non-performance of a contract

- ❑ Non-performance of a contract or breach of contract is one of the conditions normally stipulated in the Government contracts for supply of goods or services. The agreement entered into between the parties stipulates that both the service provider and service recipient abide by the terms and conditions of the contract.
- ❑ In case any of the parties breach the contract for any reason including non-performance of the contract, then such person is liable to pay damages in the form of fines or penalty to the other party. **Tolerating non-performance of a contract is an activity or transaction which is treated as a supply of service** [as per Schedule II of CGST Act – as explained in Chapter 2 – Supply under GST] **and the person is deemed to have received the consideration in the form of fines or penalty and is, accordingly, required to pay tax on such amount.**
- ❑ However, **in case of supplies made to Government, services [provided by Government] by way of tolerating the non-performance of contract by the supplier of service is covered under the exemption under Entry 62 of the Notification.** Thus, any consideration received by the Government from any person or supplier for non-performance of contract is exempted from tax.

(29) Public Works Department of Karnataka entered into an agreement with M/s. ABC, a construction company, for construction of its office complex for an agreed consideration. In the agreement dated 10th July, it was agreed by both the parties that M/s. ABC shall complete the construction work and handover the project on or before 31st December.

It was further agreed that any breach of the terms of contract by either party would give right to the other party to claim for damages or penalty. M/s. ABC did not complete the construction and did not handover the project by the specified date i.e., on or before 31st December. As per the contract, the Department asked for damages/penalty from M/s. ABC and threatened to go to the court if not paid. Resultantly, M/s. ABC paid an amount of ₹ 10,00,000/- to the Department for non-performance of contract. Amount paid by M/s. ABC to Department is exempt from payment of tax.

²⁰ These entries have been stated in simplified form.

Housing for All (Urban) Mission or Pradhan Mantri Awas Yojana (hereinafter referred to as PMAY) is a programme launched by the Ministry of Housing and Urban Poverty Alleviation (MoHUPA) which envisions provision of Housing for All by 2022 when the nation completes 75 years of its independence.

Last component of the mission is assistance to individual eligible families belonging to Economically Weaker Section (EWS) categories to either construct new houses or enhance existing houses on their own to cover the beneficiaries who are not able to take advantage of other components of the mission. Such families may avail specified amount of central assistance for construction of new houses or for enhancement of existing users under the mission.

Entry 10 of the Notification exempts the services provided by way of pure labour contracts of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of a civil structure or any other original works pertaining to the beneficiary-led individual house construction or enhancement under the PMAY from GST.

|--|---|

ANALYSIS

Services of transportation of passengers are usually chargeable to GST. Entry 6 *[Services provided by Government - discussed earlier]* specifically excludes the transport of passengers' services provided by the Government or local authority from its purview, which implies that said services are liable to GST.

However, services of transportation of passengers specified in Entries 15, 16 and 17 mentioned above are exempt from GST (whether provided by Government or otherwise) with or without accompanied belongings.

As regards transportation of passengers by vessels in item (d) of Entry 17 *[See the table given above]*, the words '**other than predominantly for tourism purpose**' qualify the preceding words "**public transport**". This implies that to qualify for exemption under this entry, the public transport by a vessel between places located in India should not be predominantly for tourism purposes.

Normal public ships or other vessels that sail between places located in India would be covered in this entry even if some of the passengers on board are using the service for tourism because predominantly, such service is not for tourism purpose. However, services provided by leisure/charter vessels/a cruise ship, predominant purpose of which is tourism, would not be covered in here even if some of the passengers in such vessels are not tourists.

(30) Services by way of transportation of passengers [not predominantly for tourism purpose] on a vessel, from Kolkata to Port Blair (mainland to island) or Port Blair to Rose Island (inter island) is covered in item (d) of Entry 17 since such transportation is between two places located in India.

Relevant definitions of these entries are as follows:

ANALYSIS

Transportation of goods by road

- ❑ The services of transportation of goods by road are exempt from GST under **Entry 18**. Services of GTA and courier services are an exception to this exemption. However, GTA services provided to an unregistered person [including unregistered casual taxable person²¹] are exempt from GST by virtue of **Entry 21A**.
- ❑ Further, GTA services provided to registered casual taxable person and following persons, even if unregistered under GST law, are liable to tax:
 - (i) a factory registered under Factories Act,
 - (ii) society registered under Societies Act,
 - (iii) Co-operative society,
 - (iv) body corporate and
 - (v) partnership firm including AOP.

²¹ The concept of 'casual taxable person' has been discussed in detail in Chapter 7 - Registration

- ❑ In other words, the GTA services provided to only an unregistered individual end consumer are exempt from GST.
- ❑ Thus, GTA services provided to:
 - ✓ person registered under GST law & registered casual taxable person, and
 - ✓ a factory registered under Factories Act, society registered under Societies Act, Co-operative society, body corporate and partnership firm including AOP – whether or not registered under GST law,

are liable to tax. Further, it is important to note that in such cases, if tax is charged @ 5%, the tax liability falls on said recipients under the reverse charge mechanism. Before proceeding further, we shall now understand the meaning of GTA:

Who is a GTA – Goods Transport Agency?

Let us understand the meaning of Goods Transport agency (GTA). Goods transport agency has been defined in the Notification to mean any person who:

- ❖ provides service **in relation to transport of goods by road** and
- ❖ issues **consignment note**, by whatever name called.
- ❑ Thus, it can be seen that **issuance of a consignment note is the sine-qua-non for a supplier of service to be considered as a GTA.** If such a consignment note is not issued by the transporter, the service provider will not come within the ambit of GTA.
- ❑ **If a consignment note is issued, it indicates that the lien on the goods has been transferred** (to the transporter) and the transporter becomes responsible for the goods till its safe delivery to the consignee. It is only the services of such GTA, which assumes agency functions, that has been brought into the GST net.
- ❑ **Individual truck/tempo operators who do not issue any consignment note are not covered within the meaning of the term GTA.** As a result,

the services provided by such individual transporters who do not issue a consignment note will be covered by the entry at Entry 18 of Notification, which are exempt from GST.

(31) Hari Prasad owns a truck and operates it himself. He carries the goods booked for his truck without issuance of consignment note. Services provided by Hari Prasad by way of transportation of goods by road are exempt under Entry 18 of the Notification.

- ❑ **Consignment note** means a document, issued by a GTA against the receipt of goods for the purpose of transport of goods by road in a goods carriage, which is serially numbered, and contains:

- ✓ the name of the consignor and consignee,
- ✓ registration number of the goods carriage in which the goods are transported,
- ✓ details of the goods transported,
- ✓ details of the place of origin and destination,
- ✓ gross weight of the consignment;
- ✓ GSTIN of the person liable for paying tax whether consignor, consignee or GTA
- ✓ other particulars as prescribed for a tax invoice²².

Significance of the term 'in relation to' in the definition of GTA

The use of the phrase '**in relation to**' has extended the scope of the definition of GTA. It includes not only the actual transportation of goods, but also various intermediary and ancillary services, such as, loading/unloading, packing/ unpacking, transshipment and temporary warehousing, which are provided in the course of

²² Meaning of GTA and consignment note elaborated in foregoing paras is primarily based on CBIC GST flyer - Chapter 38 – Goods Transport Agency in GST.

transport of goods by road.

These services are not provided as independent services but as ancillary to the principal service, namely, transportation of goods by road. The invoice issued by the GTA for providing the said service includes the value of intermediary and ancillary services.

In view of this, if any intermediary and ancillary service is provided in relation to transportation of goods by road, and charges, if any, for such services are included in the invoice issued by the GTA, such service would form part of the GTA service, being a composite supply, and would not be treated as a separate supply.

However, if such incidental services are provided as separate services and charged separately, whether in the same invoice or separate invoices, they shall be treated as separate supplies²³.

What is courier agency?

Courier agency has been defined in the Notification to mean any person engaged in the door-to-door transportation of time-sensitive documents, goods or articles utilising the services of a person, either directly or indirectly, to carry or accompany such documents, goods or articles.

Express cargo service: Some transporters undertake door-to-door transportation of goods or articles and they have made special arrangements for speedy transportation and timely delivery of such goods or articles.

Such services are known as 'Express Cargo Service' with assurance of timely delivery. The nature of service provided by 'Express Cargo Service' falls within the scope and definition of the courier agency. Hence, the said service relating to transportation of goods by road is not exempt.

²³ As clarified in answer to question no. 6 of CBIC FAQs on Transport & Logistics.

ANALYSIS

Banks and financial institutions provide a bouquet of financial services relating to lending or borrowing of money or investments in money.

Banking

All services **provided by** the Reserve Bank of India are covered under Entry 26 and are thus, exempt from GST. However, services **provided to** the Reserve Bank of India are not covered under said entry and would be taxable unless otherwise covered in any other entry of the Notification.

Specified banking services exempt from GST vide Entry 27 have been discussed below:

(A) Services by way of extending deposits, loans or advances in so far as the consideration is represented by way of interest or discount: This entry covers any such service wherein moneys due are allowed to be used or retained on payment of interest or on a discount. The words used are '**deposits, loans or advances**' and have to be taken in the generic sense.

They would cover any facility by which an amount of money is lent or allowed to be used or retained on payment of what is commonly called the time value of money which could be in the form of an interest or a discount. **This entry**

would not cover investments by way of equity or any other manner where the investor is entitled to a share of profit.

Interest: means interest payable in any manner in respect of any moneys borrowed or debt incurred (including a deposit, claim or other similar right or obligation) but does not include any service fee or other charge in respect of the moneys borrowed or debt incurred or in respect of any credit facility which has not been utilized.

❑ **Illustrations of services exempt under Entry 27** are -

- ✓ Fixed deposits or saving deposits or any other such deposits in a bank or a financial institution

for which return is received by way of interest.

- ✓ Providing a loan or overdraft facility or a credit limit facility in consideration for payment of interest.
- ✓ Mortgages or loans with a collateral security to the extent that the consideration for advancing such loans or advances are represented by way of interest.
- ✓ Corporate deposits to the extent that the consideration for advancing such loans or advances are represented by way of interest or discount.

- ❑ **Service charges/ fees, documentation fees, broking charges, administrative charges, entry charges or such like fees or charges collected over and above interest** on loan, advance or a deposit are not exempt and thus, represent taxable consideration.
- ❑ **Invoice discounting/ cheque discounting or any other similar form of discounting** is covered only to the extent consideration is represented by way of discount as such discounting is a manner of extending a credit facility or a loan.
- ❑ **Any interest/ delayed payment charges charged to clients for delay in payment of brokerage amount/ settlement obligations/ margin trading facility:** is exempt from GST since settlement obligations/ margin trading facilities are transactions which are in the nature of extending loans or advances and are covered by Entry 27²⁴.
- ❑ **Charges for late payment of outstanding dues on credit card:** Interest charged on outstanding credit card balances has been specifically excluded from Entry 27. Hence, the same is liable to GST.
- ❑ **Additional/ penal interest on the overdue loan: In cases where the Equated Monthly Instalment (EMI)²⁵ is not paid at the scheduled time, there is a levy of additional/ penal interest on account of delay in payment of EMI.**

²⁴ As clarified vide FAQs on Banking, Insurance and Stock Brokers Sector issued by CBIC.

²⁵ An Equated Monthly Instalments (EMI) is a fixed amount paid by a borrower to a lender at a specified date every calendar month. EMIs are used to pay off both interest and principal every month, so that over a specified period, the loan is fully paid off along with interest.

There may arise a doubt as to whether this additional / penal interest on the overdue loan is exempt under Entry 27 or such penal interest is to be treated as consideration for liquidated damages [amounting to a separate taxable supply of services under GST covered under entry 5(e) of Schedule II of the CGST Act, 2017 i.e. "agreeing to the obligation to refrain from an act, or to tolerate an act or a situation, or to do an act"]

There are two transaction options involving EMI that are prevalent in the trade. These two options, alongwith the GST applicability on them, have been explained with the help of illustrations as under -

(32) X sells a mobile phone to Y. The cost of mobile phone is ₹ 40,000. However, X gives Y an option to pay in installments, ₹ 11,000 every month before 10th day of the following month, over next four months ($₹ 11,000/- \times 4 = ₹ 44,000/-$). As per the contract, if there is any delay in payment by Y beyond the scheduled date, Y would be liable to pay additional/ penal interest amounting to ₹ 500/- per month for the delay.

In some instances, X is charging Y ₹ 40,000/- for the mobile and is separately issuing another invoice for providing the services of extending loans to Y, the consideration for which is the interest of 2.5% per month and an additional/ penal interest amounting to ₹ 500/- per month for each delay in payment.

In this case, the amount of penal interest is to be included in the value of supply²⁶. The transaction between X and Y is for supply of taxable goods i.e. mobile phone. Accordingly, the penal interest would be taxable as it would be included in the value of the mobile, irrespective of the manner of invoicing.

(33) X sells a mobile phone to Y. The cost of mobile phone is ₹ 40,000/-. Y has the option to avail a loan at interest of 2.5% per month for purchasing the mobile from M/s. ABC Ltd. The terms of the loan from M/s. ABC Ltd. allows Y a

²⁶ Here, the amount of penal interest is to be included in the value of supply in terms of the provisions of section 15(2)(d) of the CGST Act. Section 15(2)(d) provides that the value of supply shall include interest or late fee or penalty for delayed payment of any consideration for any supply. The provisions of section 15 have been discussed in detail in Unit-II: Value of Supply of Chapter 5: Time and Value of Supply.

period of four months to repay the loan and an additional/ penal interest @ 1.25% per month for any delay in payment.

Here, the additional/ penal interest is charged for a transaction between Y and M/s. ABC Ltd., and the same is getting covered under exemption Entry 27. Consequently, in this case the 'penal interest' charged thereon on a transaction between Y and M/s. ABC Ltd. would not be subject to GST as the same would be covered under said exemption entry. However, any service fee/ charge or any other charges, if any, are levied by M/s. ABC Ltd. in respect of the transaction related to extending deposits, loans or advances does not qualify to be interest as defined in exemption notification, and accordingly will not be exempt.

Moreover, the value of supply of mobile by X to Y would be ₹ 40,000/- for the purpose of levy of GST.

Since this levy of additional/ penal interest satisfies the definition of "interest" as contained in Entry 27 above, the same cannot be treated as consideration for liquidated damages. Consequently, transaction of levy of additional/ penal interest does not fall within the ambit of Schedule II of the CGST Act, 2017 i.e. "agreeing to the obligation to refrain from an act, or to tolerate an act or a situation, or to do an act"²⁷ [Circular No. 102/21/2019-GST dated 28.06.2019].

(B) Services provided by banks or authorized dealers of foreign exchange by way of sale of foreign exchange:

The term 'authorised dealer of foreign exchange' means an authorised dealer, money changer, off-shore banking unit or any other person for the time being authorised under section 10(1) of FEMA, 1999 to deal in foreign exchange or foreign securities [Section 2(c) of the Foreign Exchange Management Act, 1999].

It is important to note that such services provided to general public will not be covered in this entry as this entry only covers sale and purchase of foreign exchange between banks and authorized dealers of foreign exchange or between banks and such dealers.

²⁷ Schedule II of the CGST Act, 2017 has been discussed in detail in Chapter 2 – Supply under GST.

Services provided by commercial banks to RBI would be taxable as these are not covered by any of the exemptions/exclusions under the GST law.

Entry 39: Services by the following persons in respective capacities –

- (a) business facilitator or a business correspondent to a banking company with respect to accounts in its rural area branch;
- (b) any person as an intermediary to a business facilitator or a business correspondent with respect to services mentioned in entry (a); or
- (c) business facilitator or a business correspondent to an insurance company in a rural area.

ANALYSIS

It is still a big challenge for India to make the financial services accessible in rural areas. In many rural areas, either there are no banks or number of banks is insufficient. In order to counter this problem and ensure greater financial inclusion, the Reserve Bank of India (RBI) introduced the Business Correspondents and Business Facilitator Model through guidelines in 2006 allowing banks to employ two categories of intermediaries – known as Business facilitators (BFs) and Business correspondents (BCs).

BCs/BFs help villagers to open bank accounts and provide other banking services to them. They act as an intermediary between the bank and its customers. Banks, in turn, pay commission/ fee to the BCs/BFs.

According to the RBI guidelines, while the BCs are permitted to carry out transactions on behalf of the bank as agents, the BF's can refer clients, pursue the clients' proposal and facilitate the bank to carry out its transactions, but cannot transact on behalf of the bank²⁹.

²⁹ BF's provide a wide range of services including identification of borrowers and fitment of activities, collection and preliminary processing of loan applications, processing and submission of applications to banks, follow-up for recovery, etc. BCs, in addition to these activities, also undertake disbursement of small value credit, recovery of principal / collection of interest, collection of small value deposits, sale of micro insurance/ mutual fund products/ pension products/ other third party products, receipt and delivery of small value remittances/ other payment instruments, etc.

Similarly, insurance companies engage the BCs/BFs to provide the insurance services in remote areas.

Entry 39 exempts the services provided by BF/BC to a banking company with respect to accounts in its rural area branch and services provided by any person as an intermediary to a BF/BC with respect to said services are exempt from GST. Further, the services provided by BF/BC to an insurance company in a rural area are also exempt.

It is important to note that for the purpose of availing exemption from GST under this Entry, services provided by a BF/BC to a banking company in their respective individual capacities should be with respect to accounts in a branch located in the **rural area** of the banking company.

Wherever the services provided by BF/BC to banking company and services provided by intermediary of BF/BC to BF/BC do not fall within the scope of this entry, GST is payable on such services.

However, the banking company is the person liable to pay GST under reverse charge in respect of commission/fees charged for the taxable services provided by BF to a banking company. Similarly, GST on taxable services provided by an agent of BC to BC is payable under reverse charge by the BC.

Further, as seen above, as per RBI's guidelines, banks may pay reasonable commission/fee to the BC. The agreement of banks with the BC specifically prohibits them from directly charging any fee to the customers for services rendered by them on behalf of the bank. On the other hand, banks (and not BCs) are permitted to collect reasonable service charges from the customers for such service in a transparent manner.

The arrangements of banks with the BCs specify the requirement that the transactions are accounted for and reflected in the bank's books by end of the day or the next working day, and all agreements/contracts with the customer shall clearly specify that the bank is responsible to the customer for acts of omission and commission of the BF/BC.

Hence, banking company is the service provider to the ultimate customer in the BF model/BC model. The banking company is liable to pay GST on the entire value of service charge or fee charged to customers whether or not received via BF/BC.

[Circular No. 86/05/2019 GST dated 01.01.2019]

Other relevant definitions under this entry are as follows:

- ❖ **Insurance company:** means a company carrying on life insurance business or general insurance business.
- ❖ **Intermediary** means a broker, an agent or any other person, by whatever name called, who arranges or facilitates the supply of goods or services or both, or securities, between two or more persons, but does not include a person who supplies such goods or services or both or securities on his own account [Section 2(13) of the IGST Act, 2017].
- ❖ **Rural area:** means the area comprised in a village as defined in land revenue records, excluding the area under any municipal committee, municipal corporation, town area committee, cantonment board or notified area committee; or any area that may be notified as an urban area by the Central Government or a State Government.

ANALYSIS

Entry 3 exempts the **supply of 'pure services'** to Government. Supply of '**pure services**' means supply of services without involving any supply of goods.

Further, '**composite supply of goods and services**'* to Government is exempted vide **Entry 3A**.

**in which value of supply of goods constitutes not more than 25% of value of such composite supply.*

Let us understand the concept of supply of 'pure services' and 'composite supply of goods and services' to Government by following examples:

(34) Supply of manpower for cleanliness of roads, public places, architect services, consulting engineer services, advisory services, and like services provided by business entities not involving any supply of goods would be treated as supply of pure services.

(35) A governmental authority awards the work of maintenance of street-lights in a Municipal area to an agency which involves apart from maintenance, replacement of defunct lights and other spares. In this case, the scope of the service involves maintenance work and supply of goods, i.e. composite supply of goods and services³⁰.

20. Performance by an artist

Entry 78: Services by an artist by way of a performance in folk or classical art forms of-

- (a) music, or
- (b) dance, or
- (c) theatre,

if the consideration charged for such performance is not more than **₹ 1,50,000** are exempt from GST.

The activities by a performing artist in folk or classical art forms of music, dance, or theatre are exempt if **consideration** does not exceed ₹ 1,50,000. However, if consideration from such activities exceeds ₹ 1,50,000, entire consideration is subject to GST.

Further, all other activities by an artist in **other art forms** e.g. western music or dance, modern theatres, performance of actors in films or television serials would be taxable. Similarly activities of artists in **still art forms** e.g. painting, sculpture making etc. are **taxable**.

However, the exemption shall not apply to service provided by such artist as a brand ambassador. '**Brand ambassador**' means a person engaged for promotion or marketing of a brand of goods, service, property or actionable claim, event or endorsement of name, including a trade name, logo or house mark of any person.

ILLUSTRATION 5

Determine the GST payable, if any, in each of the following independent cases, assuming that the rate of GST is 18% and that the service providers are registered:

- (a) *Bollywood dance performance by a film actor in a film and consideration charged is ₹ 1,45,000.*
- (b) *Carnatic music performance by a classical singer to promote a brand of readymade garments and consideration charged is ₹ 1,30,000.*
- (c) *Carnatic music performance by a classical singer in a music concert and consideration charged is ₹ 1,55,000.*
- (d) *Kathak dance performance by a classical dancer in a cultural programme and consideration charged is ₹ 1,45,000.*

ANSWER

- (a) Bollywood Dance performance by a film actor in a film is not exempt from GST even though the consideration charged is less than threshold limit of ₹ 1,50,000. The reason for the same is that the dance performance by an artist is exempt only if it is a performance in folk or classical art forms of dance.
- (b) Carnatic music performance by a classical singer to promote a brand of readymade garments is not exempt from GST even though, the consideration charged is less than threshold limit of ₹ 1,50,000 and it is a performance in classical art forms of music. The reason for the same is that the said exemption is not applicable to service provided by such artist as a brand ambassador.
- (c) Carnatic music performance by a classical singer in a music concert is not exempt from GST even though it is a performance in classical art forms of music. The reason for the same is the consideration charged for the service exceeds ₹ 1,50,000. Consequently, entire consideration charged is subject to GST as follows:
$$= ₹ 1,55,000 \times 18\% = ₹ 27,900$$
- (d) Kathak dance performance by a classical dancer in a cultural programme is exempt from GST as it is a performance in classical art forms of dance and consideration charged does not exceed ₹ 1,50,000 [i.e. ₹ 1,45,000].

ANALYSIS

Co-operative Housing Society

Co-operative Housing Societies are entities registered under the co-operative laws of the respective States. A Co-operative Housing Society is a collective body of persons, who stay in a residential society and as a collective body, they supply certain services to its members, like collecting statutory dues from its members and remitting to statutory authorities, maintenance of the building, security etc.

A Co-operative Housing Society is akin to a club, which is composed of its members. Service provided by a Housing Society [Resident Welfare Association (RWA)] to its members is treated as service provided by one person to another. The activities of the housing society/RWA would attract the levy of GST and the housing society would be required to register and comply with the GST Law, unless specifically exempted.

GST exemption on services provided by a Co-operative Housing Society

If the aggregate turnover of housing society/RWA providing services to its members is above the applicable threshold limit for registration³², it needs to take registration under GST in terms of section 22 of the CGST Act, 2017 [Refer Chapter-7: Registration for detailed discussion on registration]. However, taking registration does not mean that the housing society has to compulsorily charge GST in the monthly maintenance bills raised on its members. If the services provided by it are exempt under an exemption notification, then it is not required to charge GST on the said services, even if it is registered under GST.

For instance, in view of entry 77(c) above, supply of service by a RWA (unincorporated body or a non-profit entity registered under any law) to its own members by way of reimbursement of charges or share of contribution up to an amount of ₹ 7500 per month per member for providing services and goods for the common use of its members in a housing society/a residential complex are exempt from GST.

So, there can be case where a society is registered under GST, but the monthly contribution received from all the members is less than ₹ 7,500/- per member (and the amount is for the purpose of sourcing of goods and services from a third person for the common use of its members). In such a case, no GST is to be charged by the housing society on the monthly bill raised by the society.

(37) RWA of Chulbul Housing Society, registered under GST, collected the maintenance charges of ₹ 6,000 per month per member. In this case, no GST is to be charged by the RWA.

However, in above case, if the monthly contribution exceeds ₹ 7,500/- per member, entire contribution is taxable.

(38) If, in above example, other things remaining the same, the RWA of Chulbul Housing Society collected the maintenance charges of ₹ 9,000 per month per member, GST @18% shall be payable on the entire amount of ₹ 9,000 and not on $[\text{₹ } 9,000 - \text{₹ } 7,500] = \text{₹ } 1,500$.

There can also be a case where the aggregate turnover of the society/RWA is less than the applicable threshold limit for registration and the monthly contribution of all the individual members towards maintenance is less than ₹ 7,500/- (such

³² Threshold limit is ₹ 10 lakh for specified Special Category States, namely, Manipur, Mizoram, Nagaland and Tripura and ₹ 20 lakh for all other States.

services being exempt). Further, the society is providing no other taxable service to its members or outsiders. In this case, the society (essentially exclusively providing wholly exempt services) need not take registration under GST.

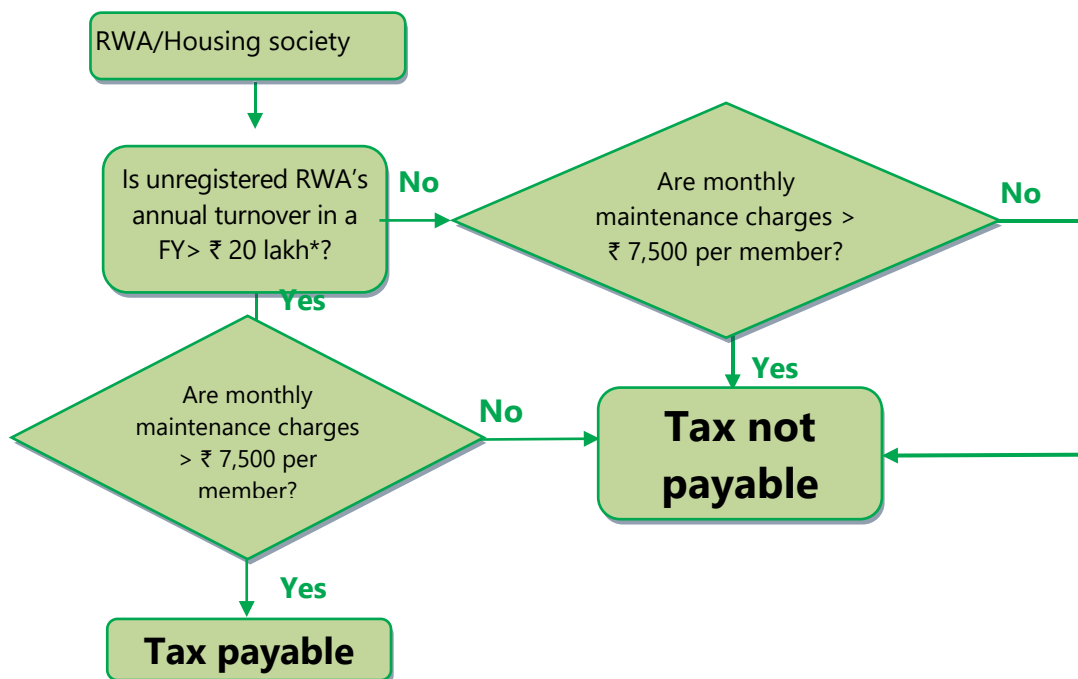

(39) The turnover of RWA of Bulbul Housing Society located in New Delhi in a financial year is ₹ 15 lakh. It has collected the maintenance charges of ₹ 6,000 per month per member. RWA is not providing any other taxable service to its members. In this case, RWA is not required to take registration under GST since its aggregate turnover is less than the applicable threshold limit of ₹ 20 lakh.

However, an RWA is not required to obtain registration even though the amount of maintenance charges exceeds ₹ 7500/- per month per member but the aggregate turnover of the RWA in a financial year does not exceed the threshold limit for registration.

(40) In the above example, other things remaining the same, if the maintenance charges collected by the RWA are ₹ 8,000 per month per member, RWA is still not required to take registration under GST since its aggregate turnover is less than the applicable threshold limit of ₹ 20 lakh.

The above discussion has been summarized as under:

* ₹ 10 lakh in case of Special Category States of Manipur, Mizoram, Nagaland and Tripura

Thus, RWA shall be required to pay GST on monthly subscription/ contribution charged from its members, only if such subscription is more than ₹ 7500/- per month per member and the annual aggregate turnover of RWA by way of supplying of services and goods is also more than ₹ 20 lakh.

In other words,

Annual turnover of RWA	Monthly maintenance charge	Whether exempt?
More than ₹ 20 lakh*	More than ₹ 7500/-	No
	₹ 7500/- or less	Yes
₹ 20 lakh or less	More than ₹ 7500/-	Yes
	₹ 7500/- or less	Yes

* ₹ 10 lakh in case of Special Category States of Manipur, Mizoram, Nagaland and Tripura

There may also be cases where a person owns 2 or more flats in the housing society/residential complex. The question arises whether the ceiling of ₹ 7500/- per month per member on the maintenance for the exemption to be available shall be applied per residential apartment or per person.

As per general business sense, a person who owns 2 or more residential apartments in a housing society or a residential complex shall normally be a member of the RWA for each residential apartment owned by him separately. Consequently, the ceiling of ₹ 7500/- per month per member shall be applied separately for each residential apartment owned by him.

(41) Gareeb Chand owns two residential apartments in a residential complex and pays ₹ 15,000/- per month as maintenance charges towards maintenance of these two apartments to the RWA (₹ 7,500/- per month in respect of each residential apartment). In this case, the exemption from GST shall be available with respect to maintenance charges paid for each apartment.

It is important to note that RWA is entitled to take ITC of GST paid by them on capital goods (generators, water pumps, lawn furniture etc.), goods (taps, pipes,

other sanitary/hardware fillings etc.) and input services such as repair and maintenance services, used by it for making supplies to its members and use such ITC for discharge of GST liability on such supplies where the amount charged for such supplies is more than ₹ 7,500 per month per member.

(42) RWA of Tintin Housing Society, registered under GST, has collected the maintenance charges of ₹ 9,000 per month per member from 1,000 members of the society in the month of May. For paying the GST of ₹ 16,20,000 [payable @ 18% on the amount of ₹ 90,00,000], RWA can utilise the ITC of GST of ₹ 1,00,000 paid by it on purchase of swings for garden, ITC of ₹ 20,000 on electric cables and ITC of ₹ 15,000 on plumbing services.

★ Statutory dues such as property tax, electricity charges etc. forming part of the monthly maintenance bill raised by the society on its members would be excluded while computing the aforesaid monthly limit of ₹ 7,500³³.

8. ANSWERS/HINTS

1. The statement is not fully valid in law. Exempt supply has been defined as supply of any goods or services or both which attracts nil rate of tax or which may be wholly exempt from tax and includes non-taxable supply.
2. The term 'charitable activities' mean activities relating to-
 - (i) public health by way of-
 - (A) care or counseling of
 - (I) terminally ill persons or persons with severe physical or mental disability;
 - (II) persons afflicted with HIV or AIDS;
 - (III) persons addicted to a dependence-forming substance such as narcotics drugs or alcohol; or
 - (B) public awareness of preventive health, family planning or prevention of HIV infection;
 - (ii) advancement of religion, spirituality or yoga;
 - (iii) advancement of educational programmes/skill development relating to,-
 - (A) abandoned, orphaned or homeless children;
 - (B) physically or mentally abused and traumatized persons;

- (C) prisoners; or
 - (D) persons over the age of 65 years residing in a rural area;
 - (iv) preservation of environment including watershed, forests & wildlife.
- 3. (a)** Services by way of health care services by a clinical establishment, an authorised medical practitioner or para-medics are exempt from GST. Food supplied to the in-patients by a canteen run by the hospital, as advised by the doctor/nutritionists, is a part of composite supply of healthcare and not separately taxable.
- (b)** Supply of service by a RWA (unincorporated body or a non- profit entity registered under any law) to its own members by way of reimbursement of charges or share of contribution up to an amount of ₹ 7500 per month per member for providing services and goods for the common use of its members in a housing society/a residential complex are exempt from GST. Hence, in the given case, services provided by the RWA are exempt from GST since the maintenance charges collected per month per member do not exceed ₹ 7500.
- 4.** Services provided to a recognized sports body by an individual, *inter alia*, as a referee in a sporting event organized by a recognized sports body is exempt from GST.

Since in the first case, the football match is organized by Sports Authority of India, which is a recognized sports body, services provided by the individual as a referee in such football match will be exempt.

However, when he acts as a referee in a charity football match organized by a local sports club, he would not be entitled to afore-mentioned exemption as a local sports club is not a recognized sports body and thus, GST will be payable in this case.

- 5.** Services by an artist by way of a performance in folk or classical art forms of (i) music, or (ii) dance, or (iii) theatre are exempt from GST, if the consideration charged for such performance is not more than ₹ 1,50,000. However, such exemption is not available in respect of service provided by such artist as a brand ambassador.

Since Ms. Ahana Kapoor is the brand ambassador of 'Forever Young' soap manufactured by RXL Pvt. Ltd., the services rendered by her by way of a classical dance performance in the concert organized by RXL Pvt. Ltd. to promote its brand will not be eligible for the above-mentioned exemption

and thus, be liable to GST. The fact that the proceeds of the concert will be donated to a charitable organization will not have any bearing on the eligibility or otherwise to the above-mentioned exemption.

Thus, in the given case, renting of community hall by Ekta Charitable Trust is exempt from GST, as rent is less than ₹ 10,000 per day.
15. GST is not payable in case of hiring of trucks to Titu Transporters. Services by way of giving on hire, *inter alia*, to a goods transport agency, a means of transportation of goods are exempt.
